

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Don Rummelt

Hi,

My name is Don Rummelt, I LOVE all types of art. I love doing art and seeing the expression on peoples faces when they look at my art work. I am a good hearted down to earth person that loves to help others. I've been doing art all my life, but prison has opened the door for me to find my passion in art.

I have a wonderful friend Hannu whom I dedicate this painting to. She's a gentle, kind hearted woman and an amazing person.

Well I hope you all enjoy the art show and have yourselves a wonderful day. My painting is for sale to anyone if it is bought the money will go towards more art supplies and envelopes to write my pen-pal/friend Hannu. 😊
