

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: John Ruppen

To see more Art by me please go to my Instagram @prisonartcollective. I am trying to find more artist's to put on it as well so please refer people to that outlet.

As for me I have been drawing for a few years and enjoy realism/abstract. I enjoy duality because really as a person I identify with the contrast life presents us with. I'm grateful to have this outlet & thankful for everyone who has visited this exhibit. Please pressure our state government to pass good time in our prison system.
