

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: T ALL GUY

T ALL GUY finds bookmaking and book binding very interesting. Self taught and loves the many steps it takes to hand make a book. This one is hoped to be used proudly by whom it's purchased for. Enjoy!

The zebras were a delight to paint. The stripes were fun and looking at different zebras; it's evident that the patterns the stripes ~~are~~ create are like fingerprints - unique.

These 2 pieces are very different from each other; which made them even more enjoyable. The precision of book making ~~it is~~ is, in a crazy way, relaxing; but then the zebras was a whole other kind of relaxing. One relaxes the mind from wondering; and the other relaxes the environment that is squeezing and its routine.

Peace to all and God Bless.
