

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: M. J. Van Meter

I've been incarcerated since
1994 (28 consecutive years)
therefore I tend to see life
through the lens of hardship.
However, with the expression of art,
I can also find light in dark
spaces (perception).

Tools used to sculpt. Sewing needle,
Nail clippers handle, Ink pen tip, tooth brush.
