*Changing Faces, Muhammad Ali #4*

I started drawing because I was raised in foster care since the age of six, and drawing was the only positive way to deal with my anger. By the age of 15 I was big on drawing famous people and I drew Muhammad Ali and some how Parkwest art gallery gave the drawing to Muhammad Ali an he sent for me to do a meet and greet with him. We stayed in touch all the way until I came to prison at the age of 18. If you would like to see those pictures of me and Muhammad Ali please go to my facebook page DRELL THOMAS. or Call 678-887-2727 or 313-903-0639 TAMMY BLACK *Contact me through them*
