

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Brushar

Hello, I'm a aspiring artist that has a little over three years of experience. I've chosen to include my two art pieces into this program in celebration to honor the Spanish Heritage Month. I have always had a great passion to create art that make's viewers spark intrest. The Spanish Heritage tribute is also called "the fear of the unknown". To show remembrance of the struggles this culture has overcome. Thankyou.
