

**Artist Statement — 30<sup>th</sup> Annual Exhibition of Artists in Michigan Prisons**

Artist Name: Josh Bushay

This image is one captured in a dream. I often find that the symbols I see in my dreamstate reveal complex and profound insights that aid in my growth and development. It makes me wonder if these images would do the same for someone else. So, please look, examine and ponder. I hope you see something helpful.

*J. Bushay*
