

Artist Statement: 27th Annual Exhibition of Artists In Michigan Prisons

Artist Name: Matthew Scroggins

I am just a simple human cyboretic organism that has recently starting to percieve the glitches within the system of our simulated universe. As in the words of the now famously dead prophetic comedians Bill Hicks and Robin Williams once said, "We are all one, there is no such thing as death, only life, and we are the imagination of ourselves" - Bill Hicks "We get but one spark of madness, don't waste it." - Robin Williams
So if you are an NPC like me just kick back and enjoy the ride.
