

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Robert D. Daniels

This motorcycle is made of cardboard, paper, and baby powder. (gas tank/fender)
This is the first cycle I have done. I would like to get more into doing bikes, custom bikes

I have usually done drawings and boats out of wood sticks, so, this is different a little old ~~school~~ school with modern.

R. D. Daniels
