I Love Barbarians, possibly because I was once one in Another Life. I wanted to Liberate a piece from my portfolio, that I thought looked inspired — Pure Fantasy.

I want my viewers to feel a sense of Adventure, like a call to come Free, and embark on adventure in a Strange land. Clearly I can't tell anyone what to feel, or Express themselves, but I really feel Adventurous so perhaps the Viewer may perceive that as well. — Joey Taylor 2024
