

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Rebecca Doke

I choose to create art to express
whats inside my mind. I have
a really hard time communicating
verbally and connecting with people
so I like to put whats in my
mind out into the world! whatever
I think of or how I feel can
be created as a piece of art
that everybody can see and enjoy.
I like to paint, sew, crochet, color
and invent so my ability to create
unique art is limitless and I love
creating things other people can enjoy,
thats why I create my artwork!
