

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Brandon Millay

I believe God gives us abilities to honor Him, and it is a simplicity in general to achieve - Love God - Love People (LUV GOD - LUV-PEOPLE) which is the inspiration to this piece of artwork. Since it is through U of M, the colors are respective towards the University as intended and I would like to request P.C.A.P. to list the price and donate the proceeds to the program, and or the Cross/wall plaque as well. This is just to express my gratitude to the Prison Creative Arts Project and those affiliated therein. We all appreciate such a program to shine light in dark places and showcase talents and giftings that God has equipped us with. Thank you kindly, and sincerely, with respect
