The reason why I created this... is because how we as human.. face so much difficulty in 20.. from the pandemic.. to deep separation of politic and police brutality to racial injustices.. Just think about it.. when the big bang happen.. it was alot of chaos.. the universe was formed than the earth took shape and form.. out of all of that was us humans. Out of chaos came beautiful amazing creation of human life. So just because things are bad right now... their will be beauty and life from behind all this chaos. Stay positive and One love
