

**Artist Statement — 30<sup>th</sup> Annual Exhibition of Artists in Michigan Prisons**

Artist Name: FARRAH SCHILLER

I chose to make art, because I find it easier to express myself with art. This was my first paintings I've ever done on canvas. What I'd like for anyone to know while looking at my pieces is to look deeper than surface level. Also, I'm very proud to be apart of showing people the talent of incarcerated individuals whom other wise don't get looked at.
