

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Randy Phillips #227776

As an artist, I really never knew of being an artist. I am a personal chef by Trade. Baking + Pastries is what I love to do. As close as I was to being an artist, was making 3D cakes and decorating them. Then came to prison and started painting not knowing I could. This is where I am now.
