

Artist Name: Miracle

Thank you & Clap for all you
do.

This is my 5th year doing
+ Clap.

I love Art, learning, sharing, and
enjoying the moments I spend with
others doing art.

These two pictures, I love each
for different reasons.

: Lions: Because I love the Lions
(Detroit) and the animal it self.

Winter: this photo came to me from
a friend - I loved the colors - I
never seen a picture that looked
like it had a soft mauve color
in the tree's. Loved the photo -
so I tried it in acrylics -

Thank you
