

Artist Name: Nathaniel "Grumpy" Caylor

Ars longa vita brevia. Non sum qualis eram,
Credo quia absurdum est, Ars est celare
artem, desipere in loco.

The human lifespan limits all that might be
accomplished. Art is long life is short.
I am not what I used to be. I believe
it because it is absurd. It is true art to
conceal art. Indulge in ~~the proper~~ trifling at
the proper time... etc.

Love
Grumpy
