PCAP Miniatures 2021 Exhibit

Artist Name: TIM BROWNELL

Title: Mushroom Delight 2.0

Before I came to prison I went more mushroom hunting every spring. They are one of Michigan's tastiest treats! Children are some of the best mushroom hunters around. They are low to the ground. My children would always find more than me.

This sculpture was created from a painting I did for the 19th annual exhibit. I thought it would make a good sculpture, showing me in 3D form reaching out of the painting trying to get the mushroom key so I can get out of prison and go mushroom hunting again!
