

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Walter Sayer (~~WALTER~~) (WALTY)

Why do Art? That has to do with Man's inner compulsion to
creat or leave their mark of there passage.

I do Art to express my feelings and leave my mark
on peoples feelings.

I dont expect people to understand my artwork, they
either like it or they dont, just as I do.

As for myself I'm just another mortal hopping
to become immortal through my artwork.

Thank you for your consideration
