The Darkness Will Not Overcome

I am so excited to be making and showing art. Like most children I was born an artist. But somehow, I lost myself along the way. I have always had the need to create, and share like a living being inside of me. Unfortunately, in the reality and pain of life that need was cast aside, and left to shrivel and die. Enter PCAP. First, I join the improv group "Sisters With Me." and redicovered my ability to shine. Now, I have been given the chance to create and learn ~~the~~ visual art with some truly incredible artists.

I Love God. I love my family. I miss my life. But ^{for} the chance to create and be a part of something greater than myself, I am truly grateful.

(I also love naming my work. I love words. I hope you enjoy ~~all that~~ ^{what} I've created.)
