

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Aaron Hutchison oz (Hutch)

A lot of people call me Hutchie. I see myself with my style of art work, as being one of the next top Graphic/Comic/Manga book Artist, like Stan Lee. I like to..... well try to mix comic/manga style with realistik in all, to most of my artwork. My artwork that I do, mostly comes out of imagenation. I love to draw from my imagenation all of the time.

I can truly see myself working on my own line of Comic/Graphic/Manga book's in the future. Compared to the last two years that I entered, my artwork has come a long ways. I draw what I like and love, and I know out there some one likes my style of artwork. I am not looking to be the next Van Gogh, or Stan Lee, I am just looking to be a greater me, that is inspized by the greats of old.

So I hope that you enjoy my style of artwork.
Thank You Kindly Hutchie.
