

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mieacle

I love art because it's always been my peaceful place, I lose myself in creating, even looking at others work.

I feel that I'm searching for my zone, I enjoy drawing, paint, flowers, animals, landscapes, but my excitement starts with doing the unusual.

I'm drawn to the bright side of painting, sometimes dark too, but more so bright and different.

I'm learning to trust "me", what's in my heart and head -

I'm enjoying the journey
