*Thank You Sos De Mey, Beauty That Stands Alone*

I have been in prison for almost 12 years now. I have been trying to create art works for the last four plus years. I have tried several mediums but found that when I am using Crochet and Embroidery thread that a peace fills me. I find using these two mediums challenging and very lifting to my spirit. For me, it's a spiritual experience every time I formulate a idea and then see it when it's completed.

I was a functioning drunk before I came to prison, I never had time to pick up a pencil and paper and try creating something. Now... my head is clear, my heart is healing and my gift I received from my CREATOR is rising up. I am a long ways from calling myself an artist but I do call myself a better man with some talent.

I pray you all like my stuff and I hope to read a few words of encouragement to me in the guest book. I look forward to presenting you with better and bigger creation5 next year, God willing.

May God bless you and yours.

Sincerely,

DAK

P.S..... If you would like to contact me via snail mail or [Jpay.com](http://Jpay.com), please feel free to do so. I would love to talk to you concerning my works.
