## Artist Statement — 29th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Calvin Sanbon #721585

I started with a Rick pattern Foom (shea Crocket)  it was good but I like to make things mine, so I  changed things, like the shoes and socks and pants look  like they tuck into eachother, that's just for starders and  I gave him a portal gun, the morty look alike. I seen  some pictures and pulled him out of my head. I  Couldn't cesist making him. can't have one without  the other. I have strocketing I started because  my daughter wanted a blanket now its my zen time  Both Cocketed I tems are machine washable and  able to go through driver
changed things, like the shoes and socks and pants look like they tuck into eachother, that's sust for starders and I gave him a portal gun, the morty look alike. I seen somepitures and pulled him out of my head. I couldn't cesist making him. can't have one without the other. I have started because my daughter wanted a blanket now its my zen time. Both Coocheted I tems are machine washable and able to go through drier
Changed things, like the shoes and socks and pants look like they tuck into each other, that's just for starders and I gave him a portal gun, the morty look alike. I seen somepituces and pulled him out of my head. I Couldn't crossist making him. can't have one without the other. I have stocked ling I started because my daughter wanted a blanket now its my zen time Both Crocketed I tems are machine washable and able to go through drier
I gave him a portal gun, the morty look alike. I seen somepituses and pulled him out of my head. I couldn't cesist making him. can't have one without the other. I have stockeding I started because my laughter wanted a blanket now its my zen time. Both Crocketed I tems are machine washable and able to go through drier.
