

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Rob "Sasquatch" Whittenberg

Hey everyone I'm back again, your friendly mythological creature, I'm not sure which piece they'll select but I'm proud of everything I submitted this year. If you'd like to see more Squatch work please check out my Instagram and Tik Tok @Squatches_art_cave.

Hopefully your looking at my pieces for "The Lantern Corps" I put a lot of work into them and enjoyed it immensely, If your looking at "Emperor Palpathe" or "Pokemon go cosplaying" I hope you get a good laugh cuz me and my buddy did coming up with the idea lol, and if your seeing my female pokemon trainer, I hope you appreciate it as modern pin up art and realize how much work I put into it. I hope you enjoy all my nerd theme art this year and hope to keep producing interesting and amusing pieces. Thanks

your friendly North American Sasquatch

P.s why only 4 toes? Squatch no good math
