

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: THE GREAT JABARI

"Working with WHAT YOU HAVE"... HAS BEEN
my motto since the "pandemic" HAS BEGAN.
One of my FAVORITE Artist is Sabrina Nelson
from Detroit. She uses many different types of
things to create ART. One of My favorite Pieces
created by her is A Dress MADE of nothing but
rice paper. Which is one of the reasons for
all of my creations today. 98% of my
Pieces ARE MADE with Rice, Ramen noodles &
spaghetti; PASTA, which is the #1 staple within
these gates. Art is what you make it,^{is}
in this case my Art is Rice & PASTA.
