

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Kim

Hello, this is my first time entering into PCAP Art Shop. I have been incarcerated for 38 1/2 years and I had to have an Art class for my "Bachelor's Degree" so I learned how to "watercolor", draw what I seen after looking at the Doigami piece my teacher had me do.

This class ^{EMU} _(Art 101) was very fun, and I enjoyed learning how to draw & paint, using water color paint, was tricky but nonetheless awesome.

I hope others will see my art work as beautiful and colorful ^{for my} first time artist!
