My Place of Peace

A photograph of a piece of lined paper with handwritten text in blue ink. The text is written in a cursive style and spans across several lines of the paper. The paper has horizontal lines and a vertical margin line on the right side.

This painting is called My place of peace
this is ideal for the place I'd like to
be when retirement comes and it's time
for life to settle down. This place gives
me a calm. The same calm I get when
actually doing the painting it's self.
