

Zenith Inception

807-20

The Light House "Waugoshance" Light Station

My name is Nicholas Michael Gaffney I was Born in
Guatemala Adopted when I was very young and Moved
to Grand Rapids. as a child I use to always find
Myself getting into trouble in the inner city.
around the Age of 8 yrs I found that I had a talent and
love for Art. I first started out By Doodling on my
Home work Assinments (I still Do till this Day). My first
Art inspiration was the form of Japanese comic (Manga)
I got Real good at it then Branchad off to Realism
and other forms. Alway striving to be My very Best.
that when My Art Name Poped Zenith Inception.
"the highest peak of creations. and that and My Art is what
I want to leave this world. I Hope you will continue to
follow me as I grow and Develop in this craft we
Both love soo Much... and see my new lines of comics
coming soon.
