

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Anne Vincenza

This is my 1st drawing project. With instruction from 2 wonderful Artists and memories of my Mother "Bloom where you are Planted" emerged. My Mom encouraged me to grow and excel, and I did with school, a trade and crafts, and helping others, she told me to "Bloom where I was planted" and I did. I hope this piece encourages people no matter where you are, there is purpose, develop it. With God, faith, hope we can have peace & purpose wherever we are planted!
