Cosmic Headache

Hello everyone, I go by Groot just like the character off of the movie "Guardians Of The Galaxy." I've been involved in art since I was a little kid. I love to spray paint, draw, and paint. I am open to various styles of art, however I prefer graffiti and tattoo style art. My artwork is all over the place as I do a lot of work for people in various states. I take pride in my work as there is a lot of heart and emotion behind each line or brush stroke. So with all this being said I hope that you enjoy my artwork as much as I love doing it.
