

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: ~~3~~ Albert Krakosky III

I love to create, whether it's in video, animation, photography, or drawing & painting. Art has been a part of my life since I was a kid. I grew up surrounded by very creative family members. I saw the endless possibilities to use your imagination and make something from nothing. something that can evoke an emotion, make you feel nostalgic, inspired, motivated, or make you think. For a short moment, you pause & forget any troubles you may have going on, & smile. That brings me joy. I wanted to make pieces of art this year that do just that: Pieces I can see hung on a wall in a home, that you walk by everyday & smile, starting your day off right. Making art is not only fun for me, but it's a form of meditation. I love seeing a piece come together. I feel calm & at peace, & excited to see how my 5 siblings, parents, & other relatives will react to my artwork. I want to make them happy, & inspired to make artwork of their own. I'm still learning & growing as an artist everyday. I hope you enjoy what I've created, & hope they
