PCAP Miniatures 2021 Exhibit

Artist Name: Jeff Hoaglin

This exhibit is perfect for what we're experiencing as a nation. Taking what we know and thought was normal and shrinking our natural existence.

Covid has shaken us and when the world needs a hug the most we're told to refrain from embraces, wear a mask, and social distance?

I'm a self-taught artist, I work mostly in Pencil (Graphite) and some colored pencils. I created the Elephant at the watering hole and the Peek-a-boo Gorilla to hopefully bring a much needed smile to the faces of those who see it. (A mental hug) Art, for me has been the only real comfort and joy I've had during this difficult time.

Stay safe, blessings and Thank you for taking time to experience the art everyone has created.
