

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: _____

Campos

This painting is one of the first I did once I made the switch from acrylics to oils. Painting is something I love to do, you can learn ~~also~~ a lot about yourself and others from the subject matter the artist paints. I tend to ~~learn~~ towards paintings that honor my family through portraits, or a subject matter that means a lot to them. I still have a lot to learn in this craft, but enjoy every turn and bump in the journey!

I do my best work in Black + White drawings.

- I was born and raised on the Southside of Saginaw, MI.

- My family and I moved to Grand Rapids, MI in ^{Summer of '06!}

- I've been to a different school every year since the 7th grade.

- I've been incarcerated since the age of 20.

- I've been a barber since the age of 12.
