

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: John Ruppen @Prisonartcollective

The Instagram @Prisonartcollective has been created in my attempt to create a space for men & women incarcerated to market themselves & their Art. My Gracious mother, Jane Ruppen, runs it for me. I would love for everyone to follow it & share it with friends. Send a message & let us know you are a supporter of DofM & PCAP'S. It would mean alot to be able to see this outlet become success full.

Please edit your Artist Statement to fit the space provided.
