

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Hello, My NAME is MARIO .THANKS

For checking out my art, hope you enjoy it
as much as I enjoy painting 80% of my
influence is ANIME I love it with a passion
the rest is just my love for creating things
I see around me but with my 2 cents lol
and or my perception, but most of all I love
saying "oh what if this was that color"
or this person was in this, and then being
able to make that vision a reality

Mario,
