

Artist Name: Hiram Treyshun Gookson

Hi. My name is Hiram this is my second time
Here I have a few Art pieces Here one a Detroit
base theme called city slicker and the second
one is called islam Basically the whole theme of
the picture is the meaning of worshipping god and that
their rights and responsibilities of every Individual on regards
to their relationship with God and His creation. It balances
the spiritual and material needs of it's followers and then
gain Happiness in life. 1.6 Billion muslims make up one
Quarter of the world population muslims are not just
arabic. I'm mainly working on my artwork as far
as into working with paints.
