

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: JEFFREY "The Ocean" KRYGER

Art has been there for me, to express myself through some dark times. I really enjoy the entire process. This is the first time I have submitted to the program. I hope someone enjoys the work, half as much as I enjoyed creating them. Thank you to P.C.A.P., giving us an outlet to share our work (experiences, feelings, hopes, nightmares). It really makes a difference, when one is so desperately needed.
