

Artist Name: Susan Brown

Every year I dedicate my work to my beautiful children. 2024 is ~~no~~ different, however A very special ray of gratitude is extended to all of the Amazing, courageous, thoughtful supporters who have fought for my freedom. This past year went AMAZING because your efforts were priceless. I greatly appreciate all of you. I never would have had such success without each and everyone of you.

Thank You Thank You Thank You!!!!

Through it all God has allowed me to still bloom. Creating stunning works of Art with hope to impact the world.

These pieces were created while I was in a state of true ambiguity. Some of me feeling free, Some of me feeling frozen, Some of me feeling forgotten Yet all of me still forever feeling Faithful and Anchor in Gods grace and hope.
