

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Peter Browning

Here's a little bit about myself:

I come from a family of (9) Boys and (2) Girls. My parents always instilled in us faith, love, kindness, forgiveness, hope, and so much more. They always taught us to do the right thing in life, but as some (a lot) of us has done... we stray away from the right and true life lessons that we learn at a young age. So, I blame myself for all of my actions, and poor choices in life that has brought me to this point in my life. I also thank God who has given me strength, and wisdom, and understanding about life and how bad events can affect a lot of people. So, I knew how to draw at a young age because my dad, and (2) of my brothers know how to draw... etc. I learned from them and their skills. My art work is all about love, peace, and freedom, and equality. I hate seeing people hurt, suffer, etc... This world needs a lot of healing, and it starts with me!
