

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Julio Martinez

My name is Julio and I enjoy creating art as
a spiritual practice. Painting in watercolor puts me
in a deep meditative state. I love vibrant colors and
when I paint I allow my intuition to guide me in
my color selection. I also enjoy utilizing my creative
gifts to bless others. If I can place a smile on
someone's face or uplift their spirit I feel that my
work is fulfilled. I offer my gratitude to everyone
involved in PCAP and all the people who support
our work. Thank you for allowing us to share our
creative spirit with the world and for affirming our
humanity.
