

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Earl Kranz

I am new to artist and exploring the world around me. I enjoy realistic paintings, though have a bit of whimsy at times. I am trying new mediums (Acrylic) and looking to further my learning through trial and error. This opens visions in my mind that don't look like the reality in here. Landscapes show a freedom I can experience outside these walls.

Yea, Freedom.
