

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name:

Tim Dyer

I'm one of those creatures that speaks through art. I just want to always make, if I'm not making, I'm dying in some way. It is my outlet for frustration & anger, it is my peace... I've been drawing for so long now, it literally is a part of who I am as a human being. The cartoon artist ♡ I LOVE anime ♡, began drawing young because of it. Self taught! I get to express myself on a deeper level through all of my works, the best part? Seeing the smiles & the excitement from others who see my art & love it as much as I do.
