

Artist Name: Dakota "INK" Morrow

I believe that everyone has the ability and talent to draw and be creative if you put your mind to it and just take the time to learn. I've been drawing and creating artwork since I was 3 years old and I NEVER lost interest or put it down. I've had frustrating moments where I wanted to quit because the drawing was not looking the way I wanted it to. What's the MOST important thing is that I NEVER gave up on myself and I stayed addicted and serious about my craft! It has taken me years to perfect my craft and the raw talent that I have runs in my blood so it is my job to utilize my talent and make something out of it! So my advice to anyone out there pursuing art is to NEVER give up and to ALWAYS stay connected to your artwork because that is the ONLY way that you will get better and become a inspiring artist!
