WHY NOT TAKE ALL OF ME

To me ART is a conduit between folks of all backgrounds, to genuinely find truth, an honesty in judgement. That in the end, means No Harm! It's abstractions, Contradictions, seriousness, fun or funny, painful and piquant! Art is the dual aspect of the artist and the viewer out in the open. It's an undeniable touch on even the blind!

- Sincerely, Absolutely,  
Mr. Anthony Wayne  
Spraggs, Sr.
