My Inspiration for me painting is my Mother

She would bring Abstract Art to show me everyday. ~~day~~
She loved to draw, one day she brought Me home some

Paint by number water color paintings and I was a natural.

While being incarcerated my cell mate who was a drawing
tutor inspired me to start painting again a guess what it
was with water colors so I just took off and let my paint
brushes fly, I don't know what I'm going to paint or how
it may look I just let my creative juices flow and wherever

my Journey takes me I go I don't know what color I'm
going to use or what the art is going to look like but hopefully
you can tell by my art I put pride into my art and I
love to create
