

Clarence Scott  
693-20  
Moonshiner Outlaw

I find myself drawing to escape the daily prison life.

My drawings take me to a place where I feel most comfortable, and releases the daily stress of prison life

The drawings I do I try to visualize myself there being part of the scenery.

As ~~an~~ a artist I am still ~~learning~~ <sup>learning</sup> and I am open to suggestions and constructive criticism. Letters are welcomed.
