

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: LISA BERGMAN

I have always been attracted to trees & the beauty they hold. I can also appreciate the resilience, and how they will bend ~~when necessary~~ under pressure instead of breaking. ~~It~~

my peice was suppost to Just be a tree, but

as It finished, a Picket showed up attached

to ~~a~~ a hand! so that brought me to

my name, Enter Picket. ~~Picket is a character~~

Picket is a tiny leafey guy from majical beast's

and where to find them. The whole ^{peice} ~~peice~~ in the

end, just Became majic.
