*The Gargoyle, The Kraken*

I dedicate every peice of artwork I do to My  
Lovely Sister. she's The reason I get OUT of Bed  
Every day and The reason I do The difficult kind of  
artwork That I do. Pen & INK Art\* is Very  
UNforgiving and Very Time CONSUMING. Becouse of  
That its becoming a lost art but when its right and  
The Artest has taken His/Her time it can be a Thing  
of beauty.
