

Artist Name: Redneck

I have been drawing for 25 years now. I was 5 years old then. My skill has improved significantly. I am also an amateur tattoo doodler. I've been tattooing for about 3 years now, which I started doing at Kinross Correctional Facility. Because I'm a tattoo artist, I draw a lot of tattoo art I have ~~an idea~~ a goal of buying an old ambulance and turning it into a mobile tattoo parlor. The name is ~~Dark Arts~~ Dark Arts Tattoo. My logo

is:

I am entering pieces in the art show to let people from the outside world see that there is potential good in US prisoners and that we can change our ~~lives~~ lives around, that even though we are locked up, we can actually be better people out there in the community.
